

PULL-ONS

Attends Pull-Ons are soft and discreet pants that feel like underwear. The disposable pants can easily be pulled up and down and they are designed to manage light, moderate or heavy incontinence.

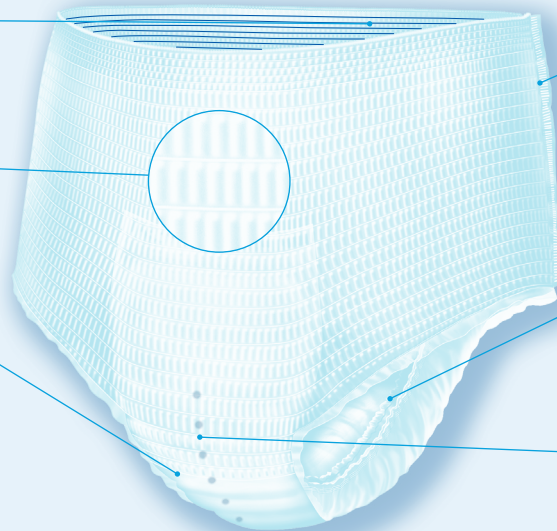

Available Absorption Levels:

Coloured elastics help to indicate the back of the product.*

Fully elasticated waistband for a snug fit around your body.

Dual Core with acquisition layer provides extra absorbency in the centre of the pad which helps reduce the risk of leakage and keeps the skin dry.

Ultrasonic Bonding Technology without glue for more softness.

Soft white leakage barriers reduce the risk of leakage.

Wetness indicator to show when the product needs changing.

*Except Pull-Ons 6XS: coloured elastics at the front

Skin tolerability is dermatologically approved by proDERM Institute for Applied Dermatological Research

Quick-Dry for rapid absorption and dryness

Odour Protection keeps you safe from unpleasant smells

Active Zone where most absorption is needed

100% Breathable for all-around Air Comfort
