

Attends® F6

Attends - The system with 10 absorption levels for bladder weakness

Attends Faecal pad is an anatomically shaped pad designed to manage faecal incontinence.

- 1** White waterproof back sheet to aid containment.
- 2** Full barrier leg cuff for improved containment and reduces the risk of leakage.
- 3** Anatomically shaped core for a close comfortable fit.
- 4** Fluff core with no super absorbents for improved cost savings for the management of faecal incontinence.
